The Desjardins Funds are not guaranteed, their value fluctuates frequently and their past performance is not indicative of their future returns. The indicated rates of return are the historical annual compounded total returns as at the date of this document, taking into account changes in the value of securities and the reinvestment of all distributions, and do not consider sales, redemption, distribution or other optional charges or income taxes payable by any security holder that would have reduced returns. Commissions, trailing commissions, management fees and other expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Desjardins Funds are offered by registered dealers.
