Annual distribution estimates are based on information available as of October 15, 2024 and are subject to change.

The annual distribution estimates provided in the table below are approximations only. They are not guaranteed and are subject to change prior to the distribution date. The annual distribution estimates are provided for information purposes only. They are not indicative of the yield a unitholder may receive.

The actual distributions will be based on income and capital gains earned by the Funds to their December 2024 taxation year-end. Market fluctuations, portfolio activity, income earned by the Fund, or redemptions between the date of these estimates and the Funds' year-end can cause significant changes in the amount of the actual distributions. As a result, actual distributions may differ significantly from the estimates presented below. Desjardins Investments Inc. shall not be held responsible if actual distributions vary from these estimates.

The annual distributions for the Desjardins Funds will be made during the period from December 16, 2024 to December 31, 2024.

All values are expressed in Canadian dollars. Totals may not equal the sum of components due to rounding.

Desjardins Funds are not guaranteed, their value fluctuates frequently and their past performance is not indicative of their future returns. Commissions, trailing commissions, management fees and other fees may be associated with mutual fund investments. Please read the prospectus before investing. Desjardins Funds are offered by registered dealers.
